## **The Top 3 Reasons Parents Enroll Their Child In KidsPlay Programs:**

**#1) Quality Coaching-** Many youth sports clubs steer their strongest coaches and abundant resources toward “travel” level teams. KidsPlay directs 100% of its resources to providing fun, professional, and challenging instruction to young athletes during their formative years. All KidsPlay coaches are subject to interviews and background checks, must pass the NYS Fingerprinting requirement, and are CPR-AED-First Aid certified.

**#2) “Player-Centered” Philosophy-** Parent coaches with the best of intentions often become fixated on their own child or a very small group of “all-stars”. KidsPlay coaches are invested in seeing every player on the field grow and succeed. An average KidsPlay class or league sees a mix of very strong, intermediate, and beginner players learning and playing together.

**#3) Proven Track Record-** Since 1991, KidsPlay has partnered with schools and townships to deliver high quality sports instruction to over 96,000 young athletes ages 3 to 12. Its programs have been led by the same core group of coaches for the past 25 years. Young families wouldn’t be drawn to KidsPlay programs for over two decades unless they were doing something right.

## **KIDSPLAY PC SOCCER (AGES 3 and 4) and SOCCER LEVEL I (AGES 4, 5 and 6)**

Soccer is an ideal sport for young players. The game is easy to learn, contains constant activity, and provides plenty of opportunity for players to run and learn skills. KidsPlay hosts small-sided games and scrimmages allowing for plenty of touches on the ball. Even at introductory levels, our coaches are adamant about teaching basic support and teamwork. No Blob Soccer is allowed!

The philosophy of PC Soccer and Level I Soccer stresses skill development and learning in a fun and friendly atmosphere. Half of each class is devoted to fun instructional training/games with the remaining half devoted to scrimmage. Two KidsPlay coaches teach a maximum of 22 children in each class. A KidsPlay team shirt is included in the program fee.

*Please note that PC Soccer (Ages 3-4) is a parent-child activity. An active parent or guardian 18 years or older must accompany a child in each session. Soccer Level I (Ages 4-6) is structured for “players only”.*

## **KIDSPLAY U10 DEVELOPMENTAL SOCCER LEAGUE (AGES 10 and UNDER)**

KidsPlay Instructional Soccer Leagues are designed to help veteran and inexperienced players develop skills in a positive and supportive environment. Special emphasis is placed on the development of dribbling, receiving and passing/support skills. League games are played 5 v 5 allowing for maximum touches on the ball and plenty of playing time for all players.

After a basic evaluation session conducted during Week #1, an even amount of experienced and inexperienced players are distributed onto all teams. All game and practice sessions are coordinated by 2-3 KidsPlay coaches. Players meet once each week for a 30-40 minute training session followed immediately by a game that lasts 35-45 minutes. A league schedule is distributed at the first session; parents are notified of their child's team assignment 1-2 days after the first session. A KidsPlay team shirt is included in the league fee.
