AGENDA ITEM	DISCUSSION	ACTIONS PENDING/RECOMMENDATIONS	RESPONSIBLE PERSON	STATUS
Minutes	Reviewed Minutes from May 18, 2015	Approved as submitted.		Closed
Summer Rec Program	Program signup increased by 10% over previous year. Revenue increased by 115%. Total expenses increased by 16% with salaries rising due to the increase in minimum wage. There will be no increases in fees for 2016. The only exception would be if a special field trip is planned that has a large increase in cost (current cost is \$5 per field trip). In 2015, there was a limit of 2 field trips per child. That will be increased to 3 or 4 in 2016. There was a noticeable decrease in attendance on Fridays. In 2016, field trip days will switch from Wednesday to Friday. Friday will only have field trips, camp and swim will not be open. Camp and swim will be available Monday through Thursday.			Closed
Summer Rec Field Trips	What bus sizes are available if we have more signups due to increase in allowable trips per child	Check with bus company on options.	Charlie Langlois	Open
