

4th of July

Do to federal regulations we will not be able to have our fireworks show in the town park as always, the display will be on the town property across the street. It will still be viewed in the park, and all other activities will be the same and start at 5:00. Music by Bryan Berhalter will start at 5.30, and the sky divers around 8:00 – 8:30. Hope everyone has a safe and great holiday.

Thank You
