#### Terms:

Applicant hereby affirms that all work shall be performed in accordance with applicable codes, regulations and manufacturer's installation instructions and authorizes the Code Enforcement Officer, his deputy or assistants to enter the premises listed herein in any reasonable time to perform all required inspections of the permitted work.

Applicant also agrees to the following:

Ensure that this product is installed so as to allow proper clearance from combustible materials on all sides including overhead  
Locating Product so that exhaust gases will not collect adjacent to, enter into, or be drawn into an occupied building.  
Special attention should be given to wind and air currents at the installation location, and distances to windows and/or other building openings must be considered.
