

NY State Harassment Training Niagara County Public Sector Offices

NY State Compliant Online Training for Employees and Management

This is a unique opportunity for cities, towns and villages within the geographic border of Niagara County, to leverage the training program that Niagara County uses to fulfill the NY State harassment training mandate at a discounted rate.

Harassment Training Program

This is a turnkey online training solution to support harassment training and other needed subjects. Two harassment courses are included (employee and manager versions), and another training title of choice (i.e. workplace violence).

Investment:

\$395 set up fee (one-time cost)

\$11.50 per employee

Based on a three-year commitment (invoiced annually).

Example: a township of 100 employees

100 x \$11.50 = \$1,150

Set up = \$395

Year one total = \$1,545

Each subsequent year = \$1,150

What's Included:

- Up to three online courses
- Available to employees on demand 24x7
- System email notifications to employees to complete by due date
- Course completion status reports
- Maintain and archive employee transcripts
- Technical support (phone, email, chat)
