Supervisor Joel Maerten
Pendleton Town Hall
6570 Campbell Blvd.
Lockport, NY 14094

Dear Supervisor Maerten:

On behalf of the Lockport Public Library Board of Trustees and myself, I would like to thank you for the funds from the Town of Pendleton for 2019.

The funds will be used for daily operations. The library provides computers for public use, programming for all ages, especially great Summer Reading Programs and a digital platform that allows for streaming of music & movies, ebooks and emagazines. All of these are available to the Pendleton Community. All they need is a library card!!!

The mission of the library is to strengthen and connect our community by providing resources that enrich, educate and entertain in a welcoming environment. These funds will help to guarantee a bright future for the library and our communities. I am most appreciative to you and the Town Board for your support of the Lockport Public Library.

Sincerely,

Beverly J. Federspiel
Executive Director
