By placing an order with ePlus for products or services you agree with the Terms and Conditions for Purchasing Products and Services located at <http://www.eplus.com/terms-and-conditions/Pages/Products-Services-Terms-and-Conditions.aspx> (the "Order Terms"). Unless there is a separate written agreement signed on behalf of both you and ePlus, the Order Terms shall be the only terms and conditions applicable to transactions between you and ePlus, and no additional or contrary terms referenced in a purchase order, document, or electronic communication shall apply. In no event shall ePlus performance under a purchase order be deemed to constitute acceptance of any terms and conditions set forth therein.

Thank you for your inquiry. Recent US gov't tariffs assessed to Chinese imports are causing price increases for many IT products, with little or no notice, and beyond ePlus' control. As a result, this quote is subject to change without notice, even before the expiration date reflected above. Please confirm pricing prior to order placement. Unless freight amount is indicated, or is zero, freight will be added to the invoice. Unless Bill-To company is exempt from Sales Tax, it will be added to the invoice. Extended Warranties and Professional Services are available.
