

Assessor Monthly Report

September 2019

Went on a couple final inspections with the Building Inspector, built new houses on the 2020 tax roll, sketched from the blueprints, and valued the homes

Went and check on the building permits that the building department closed out this month that need inventory and value added to the tax roll

Answered over 80 calls and 30 walk-ins from people confused from the media and mailings about the enhanced and Aged exemptions

Ran totals for unpaid water & sewer charges, for the levy totals matched with water and sewer departments' numbers.

Started getting exemption forms ready to be sent out for the annual renewals
