July

For the month of July, 2019, we had the following statistics for the Building Department.

1. 46 Building Permits were issued for projects.
2. 17 Contractor Licenses were issued.
3. 10 Building Permits have been completed.
4. 44 Visual inspections/meetings were conducted on site for various projects.
5. Violations were sent with still outstanding to date and with 1 resident in court for various infractions.

During the month of July, we sent out over 75 Expired Permit letters for 2018 in an effort to clear the 2018 permit files.

The Ordinance Enforcement Officer and Building Inspectors from the Town of Cambria and the Town of Lockport reviewed those expired permit files for the proper required documents. They then made site visits for the final inspections and closing out of the permits.
