End of Month Report

November

For the month of November, 2019, we had the following statistics for the Building Department.

1. 22 Building Permits were issued.
2. 3 Contractor Licenses were issued.
3. 58 Building Permits have been completed.
4. 61 Visual inspections/meetings were conducted on site for various projects.
5. 2 Violations were sent, 20 Open Complaints, 2 closed with compliance met, and 2 residents with pending court cases.

November was an active month with residents applying for permits on projects they put off until the end of the year. Joe, Kim and myself are still implementing new procedural policy to help with office efficiency.

Joe and I are continuing to attend our training and hope to be completed early spring.
