Re: Pendleton/Lockport Trolley Trail

Mr. Stevens:

Please allow this letter to serve as the City's intent to continue extending the Pendleton/Lockport Trolley Trail (or the Lockport Rail Trail, as it is also referenced), which currently has a northern limit of Lockport Road but is in the process of being extended to Murphy Road in the Town of Lockport. The City intends to continue the trail to the northeast until a connection with the Erie Canalway Trail/Empire State Trail near the Stevens Street Bridge is completed.

This path is part of the Regional Bicycle Master Plan Draft network and it is supported by the City of Lockport. We continue to work to secure funding for this project.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Michelle Roman,  
Mayor, City of Lockport
