Re: Town of Pendleton – Pendleton Park Community Center

Dear Supervisor Maerten:

The Ad hoc Committee for Recreation and Tourism Fund of Niagara County is pleased to confirm they have agreed to recommend your project to the full Legislature for its consideration. This will be presented at the August 4, 2020 Legislative meeting.

Your presentation left the following items to be completed before the August 4, 2020 Legislative meeting:

1. Breakdown of remaining costs similar to the breakdown of the building costs with individual costs, i.e. kitchen equipment, bathroom fixtures; and
2. Letter from the Town of Lockport in support and support of your portion of the pedestrian/bike trail to connect to the Canal. (Affirmative action i.e. Resolution directing Town Engineer to put together an RFP for the Pendleton portion of the trail.)
3. Signage - head and road sign template to conform with Niagara County Public Works template and design with credit to Niagara County and New York Power Authority contribution in addition to the Greenway as well as directions to other Greenway Projects.

Your consultation, as required, is to be completed with the Niagara River Greenway Commission, including responses to their questions.

Sincerely,

R. THOMAS BURGASSER,
Assistant County Attorney
