Thank you for providing the U.S. Department of Agriculture with permission to access your property. This notice is to inform you of a pending pesticide application to this premise. You may wish to take precautions to minimize pesticide exposure to yourself, family members, pets or family possessions.

The treatment consists of **Warrior II with Zeon Technology**, for control of exotic fruit fly pest.

EPA Reg. No 100-1295.

Treatment will occur ____ / ____ / ____ with no cost to the homeowner

____ I grant permission for my property to be accessed by ATV for application purposes.

____ I grant permission for cutting of dense vegetation in order to access host plants

____ I would like to be notified prior to application at _____ - _____ - _____

The property owner or owner's agent may request the specific date or dates of the application(s) to be provided and, if so requested. The pesticide applicator of business must inform of the specific date and include that date or dates in the contract.

We do ask that prior to treatment you:

- Remove any laundry left outside to dry.
- Close all doors and windows during treatment. Once the treatment has been completed, windows and doors may be reopened.
- Move any barbecues, lawn furniture, toys, and other miscellaneous items away from trees and shrubs.
- Secure pets and protect their food and water dishes, placing them temporarily inside if possible.
