FROM THE SUPERVISOR'S DESK

As we roll into the summer, we all have shifted to a "new normal" as our country's response to the pandemic has continued since March. At this point there isn't much to say, other than I hope all are doing well, staying healthy and safe. The continuously changing orders, regulations, and guidance from the state and federal level have presented challenges to all involved in government, as well as in everyone's personal lives.

Since March the Town has posted updates to operational plans on the Town's website, Facebook page, and the Nextdoor.com site. As of the beginning of June, all Town of Pendleton facilities are closed to the public and anyone needing assistance may contact the Town by phone, email, and USPS mail. Also, there is a dropbox at the Town Hall for anyone who needs to drop-off paperwork to a Town office. All Town offices are operating and responding to all requests in a timely manner. Once we reach the point where it is operationally safe to once again open offices to the public, we will.

The challenges of the pandemic and the resulting negative economic impact on the Town have necessitated various cancellations. The Town's annual July 4th fireworks display has been cancelled due to the uncertainty of large gatherings of people and also the cost. Also, the annual summer recreation program has been cancelled due to similar concerns. We are all optimistic and hopeful that we will be able to have such events in 2021.

During the past few months the Town has worked to remain in compliance with regulations related to the COVID-19 pandemic and this resulted in the closing of Town parks, playgrounds, basketball courts, tennis courts, and the roller hockey area. Signage and barricades have been placed as appropriate and we ask that people continue to respect these closures. Once we are legally allowed to open these recreational areas, we will. Keep in mind that local law enforcement remains updated by the Town and patrol will enforce the rules.

As many people have found themselves at home with extra time, the usage of local trails has

increased significantly. The new trail along the canal operated by the NYS Canal Corp. has been very busy and it's great that it was completed and open prior to this spring. The Town's trail system has also seen a lot of use and also brought to light a few issues. In May the Town Board temporarily closed the trail to motor vehicles (e.g. ATVs) and directed the Highway Department to begin work to address wear and tear from years of use. We also are working on putting together a group of volunteers to help shape the future of our trail system as there is still much work to do. Stay posted for updates as the Town continues to address its trail assets.

The need to eliminate gatherings of people has also necessitated the cancellation of Planning Board and Zoning Board of Appeals meetings and public hearings. Chairmen and members of these boards are anxious to get back to work and as soon as they are cleared to do so, they will. We apologize for any inconvenience this has created for the public, but the open sharing of information with the public and public feedback is essential for the items brought to these boards for consideration. Thank you for your patience.

During this time some areas of government have slowed down a bit, but within the Building and Code Enforcement office, life has been quite busy. The folks working in this office are dedicated and do a great job. Please be patient as a busy town like Pendleton provides a constant stream of work in the areas of building permits, inspection, and code enforcement. Also know that they have the backing of the Town Board to consistently and uniformly enforce the Town of Pendleton Town Code, irrespective of who or what is involved.

Throughout the news media over the past few months there have been many articles about the financial concerns local governments have

PENDLETON VETERANS ASSOCIATION

I cannot think of a way to start this article without commenting on the current state of our country, state, town and personal life. We all have felt upheaval in our everyday activities like never before. Sacrifices will have to be made but I have confidence that America will return to normal. Hopefully normal will be better than before.

That being said the Pendleton Veterans Association (PVA) has not stood still. Our Board of directors have been meeting regularly via phone or internet, and we managed to modify, delay and even cancel some of our initiatives that we planned going forward. All of which were in the spirit of social distancing.

A list of initiatives that were affected are as follows:

- April, May, PVA general meetings were canceled.
- Memorial Day wreath laying ceremony was canceled to the public.
- 4th of July celebration participation was canceled.
- Pendleton Farm and Home days celebration participation was canceled.
- Citizen Preparedness Training program co sponsored by PVA was canceled.

The PVA also had to modify our annual flag sale normally held on Friday and Saturday of Armed Forces

week. In substitution for the flag sale we have instituted a never ending flag sale. Same made in USA flags and delivered to your home. Call Gordie at 625-4470 or Tom at 210-3015 to order. See town web site for price list. Thanks to all that have called and ordered flags.

The PVA is proud to announce that we have awarded 3 cash scholarships to graduating Starpoint seniors who are directly related to a veteran. The recipients this year are, Julia Beutel, Ashleigh Cottrell and Alexander Mansfield. We anticipate continuing that initiative annually into the future.

Hope everyone got to witness the Air Force flyover on May 12th. A nice tribute by the Air Force for the first responders and medical workers fighting the pandemic.

The PVA also participated in a surprise retirement celebration for Chief Master Sgt Michael Zimmerman on April 30th after 33 years in the Air Force. You may recognize his name as he is the current President of the Starpoint School Board. Congratulations and Thanks for your service Mike!

In closing, please keep an eye on the electronic billboard in front of Town Hall for our next meeting date after our summer recess. It is currently scheduled for September 2nd, at 1:00pm.

Stay healthy! Greg Metzger, Board Member

(Continued from page 1)

looking to the future. Niagara County towns rely heavily on sales tax and several other forms of revenue shared by the County. For April we have already experienced a 30% decline in such revenue and anticipate this trend to continue for quite a while. The Town Board has already taken steps to cut expenses as we do not want to have to make-up the loss through property taxes. Everyone can do their part to help by shopping in Niagara County as much as possible and responding to the US Census. Population does matter in some situations and therefore an accurate count is essential.

Finally, I'd like to thank all involved in making sure that Town of Pendleton operations have continued since March. Without the professionalism, dedication, and patience of our town's employees, the past few months would have been much more stressful than it has actually been. As we move forward and continue to work to get "back to normal", there are a lot of good people I can rely on to help.

As we look to the summer I hope everyone remains safe and healthy. If you have any questions or concerns, please feel free to contact the Town Hall or me directly. Joel

PENDLETON SENIORS

The Pendleton Seniors have been unable to meet recently because of the coronavirus. The usual monthly trips around Western New York and beyond have been suspended as well.

We are all looking forward to seeing each other and enjoying those delicious potluck lunches, as well as once again being able to "hit the road" traveling to new places as well as familiar destinations.

We would welcome you to join us when things are back to normal. Keep any eye on the Town of Pendleton website, www.pendletonny.us, or give me a call at 625-8789 for updated information.

Our monthly meetings take place at noon on the 2nd Wednesday of each month at The Wendelville Fire Hall, 7340 Campbell Blvd., North Tonawanda. Just bring a dish to pass or a \$5 donation if you are a Pendleton resident age 55 or older.

The trips are open to all Pendleton residents and you can contact Beverly Richardson at 434-7609, Doreen Neilson at 692-6652, or Carol Moeller at 625-8769 for details.

Please remember members of the Armed Forces and our Veterans. Thank you,

Joyce Lane, *President*

HIGHWAY DEPARTMENT

COVID-19. This is certainly a time we will never forget. We were ALL affected by the coronavirus one way or another. My thoughts and prayers go out to any of you that lost a loved one due to this terrible virus. Many things change and shape our lives; this is one that nobody saw coming or wanted. I've seen some amazing people adapt their lives and come through this unscathed and I've seen some people that did not. Short term future is totally changed and long term is still unknown. I'm hoping for some sort of normalcy with some minor changes but time will tell.

As for the Public Works Department, we did cut the crew into half shifts for approximately 1 month to try to be as safe as possible. As of now we are back to full operation with as many precautions as possible and are adapting the best we can.

This is as I always say, "When it's time to mow grass everything we do is ready for us." This includes building & grounds maintenance, changing equipment from winter to summer, road work, drainage, and anything else we can get our equipment and manpower to.

Our road budget at this time has been cut from \$250,000 to \$100,000 therefore nothing major can be planned. I will try to do some minor patching of the roads that are in need and wait to see if anything changes with the funding.

We are also adjusting to some manpower issues but I always adjust to that.

We will hopefully try to get to some of the drainage problem areas. As most of you know Pendleton is a very flat town and it's hard to keep up with storms of 2" or more of rain.

One of the other tasks this year is to do some work on the 4-wheeler/ATV path. If you haven't heard, the Town Board has it closed to ATV's until we evaluate and do some grading. Since many of you have had to stay home from work the blacktop path has gotten a lot more use. We will also use our tractor with a broom on the back to get the blacktop swept and clear as much as possible.

We "own" the trail from Townline Road to Lockport Road that crosses Killian, Meyer, Campbell, Feigle, and Mapleton. The State "owns" the one that runs from Robinson to Tonawanda Creek along the Erie Canal.

The goal is to have the 4-wheeler/ATV path back open by July if possible. If and when it opens, anyone using it must obey the rules which include staying off the blacktop but most importantly respect anyone walking/biking on the blacktop path.

Keep in mind, we **do not chip brush from July 4th to Labor Day**. We will try to get through the town every 2 weeks otherwise. As a reminder, please place brush on the shoulder of the road with the butt ends facing the road and spread out instead of large stacked piles. Also, we will not chip brush that tree companies place out to the road. The purpose to our chipping is general yard clean up and is not intended for lot clearing or contractors' trees.

We also mow our roadside ditches twice a year, in the spring and in the fall. Our off road drainage ditches get mowed late summer into the fall.

As of this writing, the playgrounds remain closed and other activities like tennis are partially open using the new "social distancing" guidelines as well as wearing masks when not able to maintain a safe distance. We will adjust with regulations as time goes on.

Please be safe and careful. As always anyone with special needs, seniors, and veterans, do not hesitate to contact me with your concerns.

PENDLETON LIONS CLUB

The Pendleton Lions are still in business and have been active during the Coronavirus Shutdown.

What we have done during this time is sent the Pendleton Food Pantry a monetary donation to help keep shelves stocked in this time of extreme need.

There was an order just placed for 1000 N95 masks to be purchased. These will be distributed to our Senior residents, Pendleton Veterans and Pendleton Food Pantry volunteers.

We have also awarded 8 Pendleton Lions Scholarships to Graduating Starpoint Seniors. They are Jacob Brooks, Ashleigh Cottrell, Sydney Licata, Molly Dineen, Lisa Pusateri, Jack Putney, Emily Reed, and Spencer Slote.

We were not able to hold our Annual Seniors Dinner and for the first time in over 50 years our annual Fishing Derby was cancelled. Hopefully, we will be able to get these back on our schedule next year.

Please watch for the Pendleton Directory being delivered to your home in late summer. It is full of information/ads and we are making every effort to have all residents and businesses in it and to have it as updated as possible.

As always thank you very much for all your support, especially in these trying times.

Cheryl Smith, *Secretary*
Pendleton Lions Website: www.PNYLC.org.

Happy July 4th!

"May we think of FREEDOM, not as the right to do as we please, but as the OPPORTUNITY to do what is right."

"You can't separate PEACE from FREEDOM, because no one can be at peace unless he has his freedom."

- Malcom X

"I like to see a man proud of the place where he lives. I like to see a man live so that his place will be proud of him."

- Abraham Lincoln

"How little do my countrymen know what precious blessings they are in possession of and which no other people on earth enjoy!" - Thomas Jefferson

FROM THE WATER/SEWER BILLING DEPARTMENT

Well, it looks like winter is finally over! Sure took long enough. Was hoping we could have a nice spring before the hot weather settled in but it looks like we will be going right into summer for the last week of May. YOU CAN NOW PAY YOUR WATER BILLS ONLINE! AT: WWW.PENDLETONNY.US

PLEASE REMEMBER THAT THE TOWN OF PENDLETON DOES NOT MAKE ADJUSTMENTS TO WATER/SEWER BILLS FOR SPRINKLER SYSTEMS OR THE FILLING OF SWIMMING POOLS.

Water/sewer bills are mailed out by the last Friday of January, April, July and October. If you do not receive your water bill by the end of the first week of the following month please contact the billing clerk at (716) 625-8833, ext. 111.

If you are selling your home you must first notify the water department at (716) 625-8033 as soon as possible to schedule a MANDATORY WATER LINE INSPECTION; and second notify the billing clerk at (716) 625-8833 ext. 111 with the date of your closing so that a final read can be scheduled. There is a \$50.00 fee for the inspection which only takes about 15 minutes to complete. Water bills are not forwarded, so you will need to provide us with your new mailing address as soon as possible.

Please remember that there is a surcharge for unpaid water/sewer balances levied to the Niagara County Tax Bill. Any balance remaining after 4:00 pm on Friday, September 18, 2020 will be assessed a \$100.00 surcharge! If this applies to you, a letter will be sent to you before the surcharge is assessed.

Please remember all of the men and women in our Armed Forces, past and present.

Wishing everyone a safe and enjoyable summer!

Rita Dispenza, *Account Clerk*

TOWN HISTORIAN

Between spiritual leader and intellectual is a space occupied by few. The veritable no man's land - a healer with one foot in the realm of Heaven and one on earth. This is a brief celebration of Father Laurence Bastian.

Laurence Joseph Bastian entered this world on July 15, 1858 to French parents in Bitschoffen, Alsace (which alternated, in ownership, between France and Germany courtesy of formal declarations such as the Treaty of Frankfurt in 1871 and the Treaty of Versailles in 1919). His formative years were spent in France. During this time, he had found the path of the priesthood compatible with his life's mission.

His seminary years were spent in Cork, Ireland (presumably what is considered the Diocese of Cork and Ross) and the African Missions in Lyon, France. Laurence would have immersed himself in (for the better part of a decade): studying the bible, meditating on catechism, fasting and any other appropriate measure to prepare him for life as a clergyman. The hard work paid off when he was ordained a priest on July 26, 1884.

The newly christened Father Bastian was sent to the content of Africa. His focus were the inhabitants of Dahomey (a French territory; later Benin) who were notorious for their unpredictability. Despite bouts with malaria and diseases endemic to Dahomey, he found a common bond with the people. This resulted in the baptism of several thousand individuals. Their language, previously undocumented, he took careful strides to

preserve (his books are currently housed in the British Library, the first of their kind).

In 1898, he was welcomed at the Diocese of Buffalo. In 1909, he replaced Father Fricker as head of Good Shepherd parish. Good Shepherd was Father Bastian's home for the next 18 years. Under his guidance, the parish blossomed. With a new coat of paint and a fully electrified viscera, Good Shepherd was relatively modernized by 1920. Father Bastian made it his duty to organize revenue to ensure the nuns and priests salaries were up to date. Between 1922 to 1926, all gutters lining the convent, rectory and parish were also replaced. Out with the old, in with the new - the original organ was sold and an electric one took its place by 1926. It was the crowning glory of its first concert (with a reception to follow)!

On a Tuesday morning (October 25, 1927), he was preparing himself for morning mass when apoplexy struck. He gave up the ghost. In the aftermath, he left behind two siblings (locally - abroad unknown) and was predeceased by his father, Joseph. The funeral celebrant was Father August Wiese (priest of St. Mary's, Lockport). His final resting place is in St. John Neumann's Cemetery at Good Shepherd Parish.

In closing, Padraig -Go raibh céad míle maith agat! A warm "thank you" to some unnamed individuals that aided in this endeavor and as always, the people of Pendleton (possibly beyond?) that have any questions, corrections or additions:

Carissa Smith - CSmith @pendletonny.us

Phone - (716) 342-9767

God Bless.

10 Interesting Facts about the GREAT LAKES

1. Lake Superior is the largest freshwater lake in the world by surface area.
2. Lake Michigan's shore is home to the largest freshwater sand dunes in the world.
3. The Great Lakes are the largest freshwater system in the world.
4. More than 20% of all the world's freshwater is in the Great Lakes.
5. Lake Superior contains half the water in all the Great Lakes.
6. Lake Michigan is the only Great Lake that is entirely within U.S. territory.
7. The Empire State Building would sink beneath the surface of Lake Superior.
8. The Great Lakes Region is the primary water source for more than 40 million people.
9. Michigan has the most freshwater coastline of any U.S. state.
10. Lake Michigan has a 'Bermuda Triangle' of its own.

Fun Facts About GEORGE WASHINGTON for Kids

He is the only President to have a state named after him.
He is the only president that never lived in the White House.

George Washington set the example for all other presidents by establishing the yearly State of the Union speech, how the nation would negotiate treaties with other countries, and he decided how a president would select and get advice from cabinet members, among many other policies.

After his death, on December 14, 1797, George Washington was praised as being "First in war, first in peace, and first in the hearts of his Countrymen."

WENDELVILLE FIRE COMPANY

Greetings from your neighbors and friends at Wendelville Volunteer Fire Company! How things can change in such a short time! Along with you we have been forced to adapt and change how we do things during the pandemic. We still respond to each and every call, although how we do it is more methodical to protect both the patient and rescuer to a higher degree. Things are surely more focused and stricter. Not a bad thing...

Proud to announce the three winners of our scholarship program this year; Sydney Licata, Jacob Brooks and Jack Putney. Congratulations on your excellent essays...and for being part of the class of 2020!!

We are trying our best to return to "normalcy" – whatever that means in today's terms. Like all of us when Covid 19 struck we had to change a lot of plans and we've been trying to make up some of the activities by changing the format to virtual or social distancing. We did our Sportsman's Raffle virtually and while it did work, the excitement and fun atmosphere were missing.

"RUNNING is not about being better than someone else... it's about being better than YOU used to be."

We are trying to do the Lobsterfest as a drive through event, but haven't settled on a date and haven't exact plans as yet. Watch our sign in front of Hall 1 to see updates.

Harvest Moon, being an outdoor event, should be do-able, hopefully. We are searching to come up with ways to maintain social distancing at the post-race party. We think we can do it!! You will find an application below; don't hesitate to fill it out and send it in. Please bring your mask and if anything does change, you will be notified, and Save September 9th for the Race!! For both activities watch our sign at Hall 1 or go to the Pendleton site on the web for updates!!

Yes, we now must help each other. Our Annual Fund has been begun again! The drive runs through December 2020, so please consider a donation to help the Fire Company. The Wendelville firefighters donated \$1,000 to the Pendleton Food Pantry, just because the need was great. One hand washes the other...we're still there when you need us...

Life will get better, day by day!!!

Runners JUST DO IT.
They run for the finish line
even if someone else
has reached it first. -Unknown

Bring your mask, hand sanitizer will be available

Please complete Entry Form below. Pre-registration Fee \$25.00 Run & Fun Walk, \$10 Kid's Race (US Funds). Kid's Race, ages 3 & 4, 5 & 6, 7 & 8 (6:00 PM), 2 Mile Walk (6:15 PM), 5K Run (6:30 PM)
Please make checks payable to WENDELVILLE VOLUNTEER FIRE COMPANY,
send entries to: Marty Cicatello, 6870 Creekview Drive, Lockport, NY 14094

ASSESSMENT NEWS

from The Pendleton Assessors Office

Road construction season, I mean, Summer has finally arrived in Niagara County and I am glad we don't have as many limitations on traveling as we had earlier this year because of "Virus Protection Protocols". It's not like it was but it works well enough for me. Changes happen all the time, some good, some not so good but I haven't learned how to control them, so I go along with it.

We usually put a list of recent home sales in this spot but "The Virus" slowed and then stopped listings, showings, offers and closing's so there weren't enough

sales to print here. Things are getting into a new normal and I anticipate the list will be back for the Autumn Newsletter.

This summer The Assessor's Office will be on the road updating the towns parcel photos for the Real Property System that is used in our office. If you see somebody in a white SUV with Town of Pendleton plates or a sign saying "Town Assessor" on the back, that is just us getting an exterior shot of the houses on your street. We do drive slowly and stop a lot, but we do try to stay out of everybody's way.

TOWN CLERK

So, things didn't go quite as we had planned! The very unexpected PAUSE in New York State resulted in many cancellations in and around the town. This leaves us all wondering when life will be back to normal. I am hoping that the precautions that we have taken will help us get back to "normal" very soon. I miss seeing the residents in the Town Hall!

The Town Clerk's office has been fully functioning even without face-to-face interactions. We are still able to process marriage licenses, parking permits for persons with disabilities, vendor permits, certified copies of birth, death and marriage certificates, dog licenses, water bill payments, etc. Some transactions can be completed online while others can be done by mail or drop-off at the Town Hall. *(Please note that a small convenience fee will be charged when making payments online.)* Please give the Town Clerk's office a call at 716-625-8833, ext. 110, if you have any questions.

At the time of this writing however, we are not able to issue sporting licenses. Customers can order or renew sporting licenses by calling the NYS DEC call center at 1-866-933-2257. When ordering through the call center, you will be given a transaction number which can be written down and used as a license or registration when fishing. Licenses can also be ordered online at <https://decals.dec.ny.gov/DECALSCitizenWeb/loginregister.htm>. If licenses are ordered online, you will have the option to have a license sent by mail and/or email to print immediately. You will also have the option of writing down your transaction number for a fishing license or marine registry. Please contact the NYS DEC directly with any questions.
