

Scouts to hold “Drive-in Scouting for Food” event

Saturday, June 6 from 9AM until Noon

On Saturday, June 6th, Cub Scout Packs and Scouts BSA Troops in many areas of Niagara County will station themselves in local parking lots where residents can drive by and donate non-perishable items to local food pantries, Outreach Centers and shelters. County residents are urged to prepare a bag or box of canned goods, pasta, jarred sauces and other non-perishables, then drive to one of the locations listed below. A friendly Cub Scout or Scouts BSA member wearing a mask will receive your donation and then deliver it to their chosen food pantry. Residents are also asked to donate new personal hygiene items like toothbrushes, toothpaste, soap, deodorant and the like.
