9 August 2021

Pendleton Town Board

Hello,

The last of the state mandated changes have been made to The Final Roll and the program was sent to the County for school bill processing.

This is the slow time of year in The Assessors office where I take the opportunity to load new construction inventories, put additions on, review files and update pictures.

The deadline for SCAR Hearings has come and gone with the thankful benefit of not a single BAR hearing progressing to the final stage to adjust an AV.

Jim Chisholm

Pendleton Assessor
