Pendleton Town Board

Hello,

Tentative Roll Day of May 1<sup>st</sup> has passed and “The Roll” is online for public viewing as well as a printed version on hand in The Building/Assessors Office.

There has been some chatter on social media networks that Pendleton has changed everybody’s assessment because of a townwide reval. A reval has not happened, is not scheduled or even being discussed at this time. The usual course of AV adjustments are in place but only on places that had a change over last year. So if your property hasn’t changed, your AV hasn’t changed either.

It’s been more than a year of writing this but The County RPS & NYS ORPTS are still in lockdown mode where phone calls and emails are the only means of contact because site visits are not allowed.
