Proposal

Date: 9/16/21

Job Location: Water/Sewer bores
 Various locations

To: Town of Pendleton
 Attn: A Bair

Phone: 716-625-8033

Quote the Following:

Provide labor and equipment to directional bore under typical two lane road and pull back up to 2" pipe or conduit for water or forced main sewer services when/where/as needed: \$1,800.00

All permits and/or easements to be provided by the Town of Pendleton.

Ground MUST be borable as determined by CCI. Should soil conditions, underground utilities, solid rock or shale, electrical or magnetic interference with locating instruments, and/or any unforeseen obstacles prevent the use of CCI's current directional drilling equipment, then a set up and mobilization fee of \$350.00 will be charged. Alternate methods of excavation could be reviewed and implemented following approval.

Quote does not include restoration.

Town of Pendleton to provide excavation equipment with an operator for excavation of bore and receiving pits and/or any utility spotting that may be necessary.

Additional charges may apply for after-hours work, emergency work (less than 3 days notice) and/or extenuating circumstances on a particular location (to be determined at time of pre-construction site visit)

Quote does not include NYS sales tax.

Terms: Net 30 days.

Acceptance of Proposal: The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Attn: Aaron Bair
HDD Road Crossing blanket bid

September 14, 2021

We Propose to furnish all labor, supervision, and equipment to provide directional drilling services for projects in the Town of Pendleton as follows:

Minimum road crossing would be \$1,800.

Shots over 110' should fall in the range of \$16 per foot for 1" conduit, \$20 per foot for 2" conduit, \$32 for 4".

I can provide a proposal for anything out of the ordinary within 24hours for your convenience.

We can pull back coiled HDPE or poly pipe, sdr 35 glued or gasketed, PVC and steel pipe. Our capacity for a road crossing in the Town is up to 8" pipe or conduit at this time. Solid rock drilling is outside of our capabilities.

Material, excavation, potholing, and backfill by others

Does not include permits, materials, rock, or other obstructions that may prevent a successful bore. If obstructions are encountered, we will make 2 attempts. A mobilization fee of \$700 will be charged if the shot cannot be made due to obstructions.

Note: This Proposal would be good until April of 2022.

Acceptance of Proposal: The prices, specifications and conditions are satisfactory and are hereby accepted. Zima Underground, Inc. is authorized to do the work as specified. Payment due upon completion.
