# HSE Series Hot Water – Electric – Belt Drive

Known for its efficiency and longevity, the HSE Series of hot water electric pressure washers are built for heavy duty cleaning on industrial and commercial worksites. Featuring a top-fired heat exchanger, that is completely accessible for troubleshooting, this series is popular for contractors who need reliable equipment they can use on cleaning applications requiring 20 or more hours a week.

HSE-2504-0M10

**Pump:**

External bypass system allows more water into the system to protect from heat build-up ■ Forged brass manifold ■ Thermal relief valve ■ High pressure detergent injector

**Motor:**

Totally enclosed fan-cooled electric motor with manual thermal overload protection ■ 35-foot power cord

**Frame:**

Reinforced powder coated steel tube frame with center balanced lift ■ Convenient gun/wand holder and hose wrap ■ 13-inch flat-free tires

**Components:**

Energy-efficient top-fired heat exchanger ■ No. 1 or No. 2 diesel or kerosene fired burner (Not approved for bio-fuel)

**Miscellaneous:**

Temperature rise 150°F/66°C above ambient, maximum outlet temperature is 200°F

**Unit Includes:**

Quick connect nozzles - 0°, 15°, 25° and 40° ■ 50-foot x 3/8-inch steel wire-braided high pressure hose with quick connects ■ Professional-grade insulated trigger gun with safety lock-off ■ Adjustable pressure insulated dual lance

**Limited Warranties:**

1 year electric motor ■ 3 year coil ■ 7 year General pump

**Certification:**

CSA Certified - US and Canada

# HDS MID CLASS

## Jack of all trades.

The perfect hot water pressure washer for car dealers, building service contractors, agriculture and municipal use. The mid class machines set the standard in performance, ease of use, economy and service life.

### 1 Efficiency

- ecoefficiency mode – economical and environmentally friendly, even during longer periods of use.
- Reduces fuel consumption and CO<sub>2</sub> emissions by 20%.

### 2 EASY!Force Trigger Gun

- EASY!Force technology hold the trigger down once you start it, avoiding the strain on your hands associated with other trigger guns.
