SUBJECT: State and Municipal Facilities Program ("SAM")
Purchase of Generator and Construction of Salt Shed Facility
Town of Pendleton
Project ID: 23967

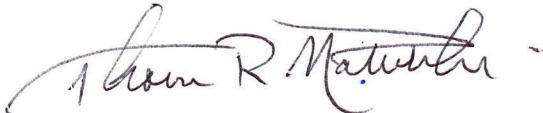

This letter is to confirm that the Town of Pendleton has committed funds for the State and Municipal Facilities Program (SAM) grant project number 23967, purchase of a generator and construction of a salt facility in the Town's 2021 fiscal year budget. The funding amount available matches the SAM grant amount awarded to the Town of Pendleton. Specifically, the Town of Pendleton's 2021 budget has allocated \$435,000 of funding for the project expenses from the Town's reserve funds. The funds are in account AO-6040-21.

If project approval is delayed thereby requiring the Town of Pendleton to appropriate funds in a subsequent year, this action will be completed as part of that year's budget process.

Attached to this letter is the Town Board's resolution that was passed on April 12, 2021, stating that the above funds have been committed to complete this project.

Please contact me if you require additional information pertaining to this State and Municipal Facilities program.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas R. Matuski". The signature is fluid and cursive, with a horizontal line extending from the end.

Thomas R. Matuski
Town of Pendleton Budget Officer
