

In attendance: Beatrice Mattina, Chris Frey, Nicole Welka, and David Leible

AGENDA

1. Nicole Welka had an update on the shelter that was built at Depeau Park. Ken Smith from the Lion's Club reported that it has been leveled and paved and we will do a dedication in the spring or summer. The Love of Skin Foundation will be included. Tables are in storage and will be placed under the pavilion when the weather breaks/parks reopen.
2. Surface refinishing for Depeau park courts will be brought up to the board so we can move on that before further damage occurs.
3. Baseball through CNBSA is not looking good. It looks like they are dissolving. We will find out if there are other options available to Pendleton families. Kids play offers a program but it is mostly instructional and does not include full competitive games. Challenger League would like to continue its program for special needs players.
4. Not sure about Summer Recreation as we need to hear the guidelines set forth from the Niagara County Health Department. We may have a modified program but will determine that later since guidelines are constantly changing due to the COVID pandemic.

Our next meeting will be Monday, February 15, 2021 at 7 pm.
