Town Hall

In attendance: Beatrice Mattina, Nicole Welka, David Leible, and Mike Argentieri

AGENDA

1. There is a lot of interest in the use of Town baseball fields because CNBSA is no longer in charge of baseball since they folded. It becomes difficult to plan use without a specific procedure. We will work with the Board and the Town Clerk to streamline the process. Our baseball contact person will be Nicole Welka. Challenger League will use a diamond on Friday evenings. A resident group is organizing town baseball for children under 8. Some travel teams will use diamonds on the weekends. More information will be posted to the website as it becomes available.
2. Many residents have been enquiring about Summer Recreation. At this time we are in the planning phases and a representative from the Town will be meeting with a representative from Starpoint to discuss possible procedures for a program this summer. We can not provide more information until we learn more about guidelines from the State, County, and Starpoint School.

Our next meeting will be Monday, April 19, 2021 at 7 pm.
