

Town of Pendleton Recreation

Meeting Minutes

Monday, April 19, 2021

Town Hall

In attendance: Beatrice Mattina, Nicole Welka, David Leible, Chris Frey, David Fischer

AGENDA

1. Due to the increased safety demands of the New York State Department of Health, we have decided to cancel the Town's Summer Recreation program this year. Starpoint was very willing to work with us but we would have to keep the numbers low and we would have to keep children in separate groups so they would have no choice of what activity they would like to participate in. We would have no swimming. The cleaning and sanitizing would have been much more than what we were used to, and we would need a place to isolate any child that was experiencing symptoms of Covid-19.
2. Nicole Welka let us know that all seems to be going well with baseball.
3. A representative from Wendelville was here to discuss the possibility of using their field for lacrosse.

Our next meeting will be Monday May 17, 2021 at 7 pm.
