

**Town of Pendleton Conservation Advisory Council**  
Meeting Minutes  
Thursday, November 11, 2021 at 6:30 pm – Town Hall

**I. Meeting was called to order at 6:37 pm**

Members in attendance: Tobias Frommuller (TF), Jessica Glaser (JG) and Andy Harrison (AH)

**II. Amendments, Additions and Deletions to Agenda –**

None

**III. Approve Minutes**

October minutes approved

**IV. Public Input –**

None present

**V. Correspondence –**

Invitation to Joel Maerten to join our December meeting for updates on solar project information.

**VI. Board discussion:**

- TF has received mushrooms from Smugtown Mushrooms in Rochester. The order was placed September 28<sup>th</sup>, and received November 9<sup>th</sup>, for future planning purposes. Members agreed to meet at Tobias' property on Beach Ridge Road to attempt to set-up mushroom inoculations to felled ash logs. Intend to experiment with smaller-diameter, longer logs with larger-diameter, shorter logs to determine any significant effects on yield.
- JG suggests we assemble recommended plantings for the Spring newsletters. Members agreed to focus on pollinator-supporting plants as well as thirsty plants for reducing standing water.
- Splash pad updates – AH has received only one response from outside communities regarding plumbing for splashpads: "City of Buffalo parks splashpads use city municipal water supply and are direct flow to sewer for treatment. We do not recycle the water/chemically treat onsite like we do with our outdoor pools. Regards, Andy Rabb Dep. Commissioner DPW/Parks and Recreation".

**VII. Adjournment at 7:41**

Motion JG; Seconded AH Opposed 0; Motion carried.
