

TOWN OF PENDLETON
PUBLIC HEARING and REGULAR MEETING
December 13, 2021

A Regular Meeting of the Town Board of the Town of Pendleton was held at the Town Hall, 6570 Campbell Blvd., Pendleton, NY, on the 13th day of December 2021 at 7:00 p.m. The meeting was open to the public. The meeting was also conducted as a live GoToMeeting and a conference call line was provided to the public allowing access to live audio.

PUBLIC HEARING

PUBLIC HEARING – PROPOSED LOCAL LAW NO. 01 OF THE YEAR 2021

The notice for the Public Hearing was published in the Lockport Union Sun & Journal on November 30, 2021 and on the Town's website.

Supervisor Maerten opened the Public Hearing at 7:00 p.m.

The purpose of the hearing is to allow public input for the proposed adoption of LOCAL LAW NO. 01 OF THE YEAR 2021. Said Local Law to opt-out of the licensure and establishment of a retail dispensary license and/or on-site consumption license in the Town of Pendleton.

A copy of the proposed Local Law was made available at the Pendleton Town Hall and the Town of Pendleton website at www.pendletonny.us.

Supervisor Maerten began by explaining that the Board's original intention was to follow the Planning Board's recommendation of allowing this in areas zoned as light industrial. Attorney Joerg gave a brief overview of the law passed in March of 2021 legalizing recreational marijuana in New York State and how the towns were afforded the opportunity to opt out of the statute of allowing its use in public places. The towns must opt out no later than December 31, 2021 but have the option to opt back in at any time if they so choose. He explained that presently the Town of Pendleton does not have zoning in place that will allow the sale of marijuana. The Town will need another public hearing to change the zoning and then propose a new local law to allow it in specific areas such as those zoned as light industrial. His recommendation at this time is to opt out before the December 31st deadline and until more information is provided by NYS regarding the specific regulations that will be put in place under this new law.

Councilman Graham expressed concerns about opting out and the potential to lose tax revenue. He provided information about the national average of revenue reported for a dispensary and worries that we might miss out on opportunities for revenue if potential businesses choose to open in neighboring towns that have decided not to opt out. This discussion continued with various questions and comments from the Board members. Supervisor Maerten recommended tabling this decision until a Work Session that will be scheduled for December 22, 2021. All Board members agreed to table it until that time.

One resident stated that he is concerned that it could potentially take the town extended time to get the zoning in place and does not want us to miss the opportunity for possible revenue.

There were no other questions or public comments during the hearing.

Motion made by Councilman Leible, seconded by Councilman Fischer, to close the Public Hearing at 7:16 p.m. Motion carried.

REGULAR MEETING

Supervisor Maerten called the meeting to order at 7:16 p.m.

Supervisor Maerten read the invocation and the salute to the flag. A moment of silence was observed in memory of past Town Councilman Robert Kramer and longtime resident and former Town employee, Richard Wagner, who recently passed away.

OTHER REPORTS

Supervisor Maerten reported that tax collected for October 2021 was \$142,003.58. This is an increase of \$17,136.84 when compared with October 2020. The year to date received is \$1,605,444.01 which is an increase of \$227,807.06 from 2020.

Supervisor Maerten stated that he recently met with Deputy Supervisor Walter, Niagara County Sheriff Michael Filicetti, Chief Deputy Sheriff Aaron Schultz, and Deputy Sheriff Darryl Kroening. He reported that Deputy Kroening will begin his assignment in the Town of Pendleton on December 26, 2021. Mr. Maerten noted that Deputy Kroening's patrols will be in addition to the Niagara County Sheriff's and New York State Police Department's regular shifts. Additionally, Supervisor Maerten mentioned that he received a call from an individual who is interested in taking over the Town baseball league. He is very interested in running the league but stated that the town would have to enter into an agreement with the group to improve the town's fields, drainage, etc. Supervisor Maerten asked that someone from the Board follow up with this if they feel it is worth pursuing.

Councilman Leible read the Water/Sewer monthly report from November. He reported that the Sewer Department completed 21 regular and three overtime sewer calls, repaired two sewer breaks, and installed a new home service tap. They also completed their bi-weekly duplex checks, completed 17 Inflow and Infiltration (I & I) repairs, completed two grinder tank updates and rebuilt pumps. The Water Department completed hydrant flushing and winterization, installed a new home water tap, and repaired a water break on Campbell Boulevard. The Water Department also completed a flow-test on Creekbend, installed a new meter and reader, and completed 93 stakeouts. Councilman Leible also stated that Armored Access will be installing the new cellular fire communicator at Town Hall and begin monitoring our fire alarm system in 2022. He also wished Highway/Water & Sewer Superintendent Craig Walter and Deputy Highway Superintendent Carl Gross best wishes on their retirement and thanked them for their lengthy service to the Town of Pendleton.

Councilman Fischer read the Highway Report for the month of November stating that they installed the salters and worked on the plow trucks, cleaned out the old garage, installed signs, continued roadside mowing, chipped brush and salted as needed. They also completed other tasks including repairing barricades, installing plow stakes, and installing culvert pipes. He also commended the Highway Department staff for the job they did cleaning up after the recent wind storm.

Councilman Graham reported that that airport on Transit and Dunnigan Roads has been sold. He stated that he is hoping for some new development at that location. He also asked if the Town's telephone system is set up to send out automatic messages to Town residents that are affected by utility emergencies such as those that happened during the last storm. Town Clerk Maurer indicated that the system does have the capability of doing that and she will provide him with additional details. Highway/Water & Sewer Superintendent also commented that the

Department of Public Works typically calls residents directly when they are aware of issues such as those mentioned. Councilman Graham also reminded the audience that the Town is currently looking for letters of interest for appointments to various boards and committees. Those appointments will take place at the January meeting. He also asked the Town Board if there was a possibility of changing the day of the regular board meetings as they conflict with the school board meetings.

Councilman Evchich had nothing specific to report.

Town Attorney Joerg had nothing additional to report.

Engineer Britton provided an updated on the Salt Barn/Portable Generator project. He stated that we are getting closer to obtaining the DEC permit. He also reported that NYSDEC Notice of Complete Application regarding the Salt Barn will be published in the newspaper on December 21, 2021. This notice will indicate that the State Environmental Quality Review (SEQR) is considered a negative declaration and a coordinated review is not required. Additionally, Mr. Britton informed the Board of a case currently in front of the Planning Board regarding a proposed small 8 lot subdivision in the Bear Ridge Estates area. He also stated that he will be soliciting bids for the Highway and Playground security system. Supervisor Maerten also added that Engineer Britton is working with the architect for the community center and hopes that it will be put out for public bidding soon.

Budget Officer Maturski had nothing to report.

DEPARTMENT HEADS

Town Clerk Maurer stated that all monthly departmental reports that were provided were published online for viewing and provided an update on the additional refuse tote service renewals. Mrs. Maurer thanked the Pendleton Veterans Association (PVA) for taking care of the Town Hall flag throughout the year. Tom Burns and Gordon Bellinger from the PVA take care of lowering our flag to half-staff when directed by the President. She also provided information regarding upcoming “newly elected” training and the annual NYS Association of Towns training in February.

Supervisor Maerten commented on the Veterans’ Day ceremony that was held in November saying that it was a nice event with a good turnout.

Highway/Water & Sewer Superintendent Walter had nothing additional to report.

Building Inspector Diedrich stated that he and Code Enforcement Officer Joe Follendorf took a trip around the town to assess the damage from the weekend storm. They noticed many trees down including one resident with a tree that fell down on top of her house. She stated that she was already in the process of having it removed.
