

Hello **Dave Leible**,

Purchase fee for used containers out of **Cleveland**. We also offer new one-trip containers in most locations - Call for pricing.

Used 40' Dry Van (40'Lx8'Wx8.5'H)- **\$ 4,000.00**

Used 40' High Cube (40'Lx8'Wx9.5'H)- **\$ 4,100.00**

Plus shipping charges estimated at **\$ 1,600.00**

***if you send me your full shipping address I can get exact rate and availability for you.**

Due to nationwide container shortage prices can change without notice and are subject to availability.

Below are pictures of Wind and Water Tight Containers (WWT). These are not the containers you will receive but they are similar in condition. Colors vary depending on availability in your area. If the WWT containers are not suitable for your purpose we also have one-trip containers for sale.

We guarantee our pricing. Let us know if you find a better price. If you have any other questions or would like to place an order feel free to give us a call. Thank You!

Regards,
