- II Discussion of Member Rolls
Elect President: TF
Elect Secretary: AH
- III Council Discussion
Goals for 2022
Community outreach to raise awareness about native and invasive species,
Conclude industrial solar research project and surmise recommendations to Town Board
Research establishment of proposed open space area park suggested by J. Sobczyk
- IV Old Business
Industrial Solar Update – Invite Keith Silliman to future meeting.
Prepare list of questions for meeting with Keith Silliman.
- V Board Member Updates
TF will file for 503c for Arboretum, and contacted National Trust for Historical
Information Society
JG: The Solar Citizen Group is going to be disseminating information to the public via
a series of articles to be published in the Lockport Union-Sun & Journal
- VI Correspondence
JG will write an article for the Pendleton newsletter with a list of suggested native
plants for spring planting consideration.
- VII New Business
Suggestions for outreach – contact science teachers at Starpoint to gauge interest in
Maple Syrup production project in Pendleton and its relation to elementary school
science programs, along with colligative properties application in high school
chemistry. TF will bring idea up to his Tenacious Tapping Troupe to see if a field
trip could be organized for next year’s season.
Reach out to local apiaries to determine if we could get a bee keeping presentation
together for community interest and application.
AH – research industrial solar battery technology & chemistry
- VIII Adjournment
