I. Members in attendance: Tobias Fronmuller, Jessica Glaser, Andrew Harrison

II. Approve Minutes from June 2022

II Council Discussion

Decision to wait on Farm and Home Days for 2022 based on an inability to staff booth

How do we increase community outreach and raise awareness of the Conservation Advisory Council? Suggestions to take quarterly newsletter blurb and request to have posted to webpage. In conjunction, add links to videos and build projects, photos of the committee doing projects (mushroom inoculation, air prune boxes, etc.), articles from the Lockport Sun and Union.

III Board Member Updates

IV Correspondence

Received ESRI ARCGIS newsletter in the mail

Received updated map from Dave Britton with recent wetland overlaying parcel map.

VI Adjournment : 7:15pm
