Call to order: 6:33

In attendance: TF, AH, Absent: JG

I Approve Minutes from July's Meeting

Approved.

II Council Discussion

Inflation Reduction Act - contents and how it may affect the town

Senate bill: Rebates/incentives on more energy efficient appliances, solar panels, wind.

Partial incentives for EVs, but caveat requires the battery components to be all made in America. Awaiting any amendments from Congress before the two bills are reconciled.

Community outreach - increase frequency of correspondence via website, newsletter,

builds - tree seedling distribution next year based on air prune bed.

III Board Member Updates

Air prune bed build: Untreated lumber availability: 2x6" 1x2 boxes with rails beneath for portability sake - should be around 45lbs), hardware mesh.

Mushroom triggering: Tobias's house: Early autumn

IV Correspondence

NYMIR University required trainings

V Adjournment: 7:42
