Meeting Minutes:

- Baseball is not going to be able to run this year. We want to add to the quarterly newsletter that we want to continue the program and are looking for volunteers to help start again in 2024
- Candice has collected information about baseball from the Town of Wheatfield. We will review this next meeting
- Family Swim will hopefully resume next year like it was run before covid.
- Youth & Adult Basketball at Starpoint has not occurred in about 10 years. Also sometimes had some programs over the summer at the Town. We are looking into if this is something that could get going again and what costs would be associated with it for 2024.
- Question was asked by a committee member: Is it possible to fundraise or accept donations for the Recreation department to use for Summer Recreation to offset costs? Busing for field trips is the biggest expense to the program.
- The Pavilion at Depew Park has still not had its dedication.
