

Town of Pendleton
Conservation Advisory Council
Meeting Minutes
Thursday June 1, 2023
Call to order: 5:38

.Members in attendance: Tobias Fronmuller (TF), Jessica Glaser (JG), Andy Harrison (AH)

I. Old Business

1. Tree sapling potting debrief from May 21.
2. Substitute watering availability over the summer

II. Correspondence

Request blueprints & maps regarding park plans and drainage

III. New Business

1. JG notes of Olmstead Park: Front Park off Porter Ave near 190
 - a. Central open field with avenue and grove-style tree plots surrounding walking path with memorials periodically throughout
 - b. Playground surrounded by shrubs and trees that provide shelter, windbreak, and noise-reduction
2. Landscape planning for new Town Park and Community Center
 - a. Continue westward windbreak south of playgrounds, north of Baseball Field #7 to help establish different zones.
 - b. Consider establishing avenue-style plantings to serve future walking path
 - c. Link with parks/grounds people from Highway department to combine input and ideas?
 - d. Footpaths to provide greater attention to link to bocce court, ice rink, and other features of town park.
 - e. Any shade trees near splash pad would need to be selected to retain leaves, and limit seed drop to avoid any possible slipping.
3. Discussion of other methods of distributing plants
 - a. Overwinter to ensure higher survivorship - harrier trees to be distributed and planted next year

IV. Adjournment - 6:47
