

Town of Pendleton  
Conservation Advisory Council  
Meeting Minutes  
Thursday August 10, 2023

Call to order at 5:31

Members in attendance: TF, JG, AH

. Board member updates

I. Old Business

1. Potted tree sapling status

- a. Weeding date needed next week at TF
- b. Survivorship of saplings is still high.

II. Correspondence

a. Received correspondence from Annemarie Reeb on the evening of August 9th regarding wetland drainage concerns on Beach Ridge road by Forbes Capretto in anticipation of development. We will seek more information on it.

III. New Business

Landscape planning for new Town Park and Community Center

1. Examine maps from Dave Fischer - missed connection to acquire maps.  
Should be in mailbox for next meeting
2. Updates on timing for spray park completion - construction delays set the opening until Summer 2024 - will plant to overwinter saplings in anticipation to maximize survival.

IV. Adjournment at 6:26
