During the month of February, the Assessor's Office was very busy meeting with residents submitting new applications and renewal applications for property exemptions, while continuing to update our system files (RPS) with the January property transfers and other corrections and/or changes.

March 1 is taxable status date for Pendleton and was the last day to turn in an exemption for the 2024 Tax Roll. For the 2024 Tax Roll the Assessor's Office received 40 new Enhanced STAR Exemptions, 50 renewals and 22 New Senior Citizen Exemptions, 10 new Veteran Exemptions, 4 renewals and 1 new People with Disabilities Exemptions and 40 Volunteer Firefighter/Ambulance Worker Exemptions and 6 new Agricultural Exemptions. We also received 95 Agricultural renewals and we received proof of income from all farmers in the town for the exemptions granted.

We will be processing all the above exemptions in the next 4-6 weeks prior to turning in the tentative roll to the Niagara County Office of Real Property in Mid-April.

As of this update the Assessor's Office has not received the property transfers for February 2024 from the Niagara County Real Property Office.
