#### **BOARD MEMBERS DISCUSSION**

Supervisor Maerten announced that the next Town Board Regular Meeting will be held on June 10, 2024 at 7:00 p.m. This meeting will be preceded by a Public Hearing beginning at 6:55 p.m. There is no May Work Session scheduled at this time.

#### **PUBLIC REMARKS/COMMENTS**

A resident commented on the wording used in the resolution scheduling the Public Hearing on June 10<sup>th</sup>. Attorney Joerg provided clarification to the resident on this matter. She also thanked the Highway Department for doing a great job on the installation of a culvert pipe on her property.

Another resident asked a question about the USB storage device resolution and commented on the proposal to stop ATV use on the Town's trails. It was her belief that grant documents used for the multi-use trail included specific purposes that the trail could be used for. She would like to know if there is a way for the public to find out what the trail was originally created for.

Deputy Town Supervisor, Mark Walter, responded to her comment saying that the grant documents indicate that the path is to be used for non-motorized vehicles, biking, walking and horseback riding.

Motion by Councilman Leible, seconded by Councilman Hickman, to adjourn from the Regular Meeting at 7:45 p.m. Motion carried.
