Subject: Environment One Representation in New York

Thank you for your interest in the products of Environment One Corporation. As you may be aware E/One is the inventor and market leader in supplying gravity sewer alternatives, via the Low Pressure Sewer System.

E/One achieves superior customer service by utilizing a market strategy that empowers our indirect representation with dedicated and protected markets. Our network of factory authorized distributorships are trained to apply our equipment to solve many troublesome applications.

Please be advised that Siewert Equipment Corporation is our authorized distributor for E/One Low Pressure Sewer Systems for all of New York State except Orange, Rockland, Westchester, & Putnam counties; New York City & Long Island, for the present day through 2024. Siewert provides energy and water/wastewater infrastructure solutions that have improved the operations, financial results, and quality of life of its customers.

Once again, thank you for your interest in the products of Environment One. If you have any questions or comments, please do not hesitate to contact myself or your Siewert representative.

Sincerely,

A handwritten signature in cursive script that reads "Gregory C. Wall".
