Transfix Stages

— BY NPS® —

the lightweight, portable stage solution

NPS® is excited to announce an expansion to its popular performing arts line of stages to include 4'x4' sized platforms that are height adjustable from 16-24" or 24-32", and roll on caster wheels. Available in both hardboard and a variety of carpeted surfaces, these new lighter weight portable platform pieces are the perfect solution for when one person will be doing the setup. Roll to desired location on built in caster wheels and gang together multiple platforms to create large or small stages of your choosing.
